1. In response to the oral request received today, I hereby forward six informal bills issued by the management of the "Teresa Guest House", 910 Sukumvit Road, Bangkok, for the period starting on 12 February and ending on 10 June 1964 when I stayed at this Guest House. Those bills show the amounts I paid there on monthly basis for one room and the breakfasts during all this time of my stay in Bangkok, except some few days when I did not take any breakfast and the two first days in Bangkok when I stayed at the "Nana" Hotel. I changed from "Nana" Hotel to the "Teresa Guest House" on the advice of my direct supervisor in Bangkok, ☐ ☐ because this place, although less convenient for the stay there than "Nana" Hotel, was better from the point of view of operational security involved.

2. I have discarded the bills received from the hotel in San Francisco and from the above mentioned Nana Hotel in which rooms were reserved or booked for me by the representatives of the Agency. My notes show that I paid for these rooms:

for one night in San Francisco, when waiting for the continuation of
- the flight, \$ 13.00
for two nights in "Nana" " 14.00

3. Due to the fact that lunches and dinners were not served at the Teresa Guest House, I took these meals at different restaurants. I have not kept track of the expenses on those meals. However, I must say that these expenses were rather high because of the scarcity of acceptable eating places in this area of Bangkok, and the transportation costs to those places from my working places or the Teresa Guest House. But the operational transportation costs were covered by ☐ ☐ not those to the eating places.

ENCLOSURE: 6 bills and one card of the Teresa Guest House.
